COMMUNITY COUNSELING, EDUCATION, AND RESEARCH CENTER

What We Do: We provide mental health and career counseling for holistic wellness. **We only offer Distance Counseling at this time due to the COVID-19 pandemic.**

Who is Eligible: Individuals 14 and older, couples, and families who live in and near Wake County.

Our Counselors: Graduate students in the NC State University Counselor Education Program provide counseling services under the supervision of Counselor Education faculty.

Our Values: We welcome, respect, and support diverse cultures and personal identities of all people.

Cost: We use a sliding fee scale (\$0-\$30) to provide counseling services for any income level. Wake County Public School System students receive services at no cost.
